

How it started

- Almost 10 years ago...
- REST and web community wasn't as friendly of a place
- Benjamin & Mike created RESTFest, an unconference focused on building community and collaboration
- Now, REST Fest has happened in 3 locations beyond South Carolina, including Wrocław now!

Grand Rapids, MI

Edinburgh, UK

Wroclaw, PL

Greenville, SC

How it works

Everybody talks, everybody listens

– Benjamin Young

- Two talk types: feature talks, 5-in-5
- Hands-on experience
- Panel discussions
